

HOWL-O-WEEN COMMUNITY DAY

October 21, 2023

1-4pm

AWA Campus

AWA is celebrating 75 years of saving animals and being a part of the Voorhees community. We will open our doors and campus for an afternoon of family fun! Kids and furry friends can enjoy the outdoor activities including Trunk or Treat, Pumpkin Decorating, Scavenger Hunt, and bounce house. Families (sorry no furry friends) can head indoors to visit with the animals and meet our team to learn all about what the AWA has to offer beyond adoptions.

A fun way for businesses and organizations to engage with the community is to decorate a trunk and hand out treats & promotional materials. We look forward to having many of our community partners and friends join us for this day of fun and celebration. Wouldn't it be great to have 75 trunks to celebrate 75 years?
