

BUILDING A PLACE WHERE HAPPINESS BEGINS

A CAPITAL CAMPAIGN FOR A NEW ADOPTION CENTER

Naming Opportunities and Donor Recognition Program

As part of the *Building a Place Where Happiness Begins* campaign, AWA’s Board of Directors is committed to publicly recognizing *every* contributor of \$300 or more who help make AWA’s new Adoption Center a reality. Donors of \$300 or more will be acknowledged on a unique Campaign Honor Roll that will be displayed prominently in the lobby of the new Center.

Naming Opportunities: \$5,000 or more

Contributors who commit at least \$5,000 over three years are encouraged to select an area or location in the new shelter to recognize their participation or to honor or remember a family member, friend, or companion animal.

Certain locations lend themselves to the inclusion of a contributor’s actual name - *The Mary Smith Canine Wing*, for example. Other areas such as the main lobby or staff offices are more appropriate for the prominent placement of an attractive recognition plaque that acknowledges the contributor’s generosity without “naming” the selected area. For example:

*The construction and furnishing of this conference room
were made possible by the generosity of
Mr. and Mrs. Frank J. Jones
January 2019*

The Executive Director will work with contributors to tastefully accommodate their wishes.

Special Recognition Levels: \$300 to \$4,999

Contributors at the following levels of support will be offered recognition on the *Honor Roll*.

GOLDEN PAWS SUPPORTERS	\$3,000 - \$4,999
SILVER WHISKERS SUPPORTERS	\$1,000 - \$2,999
BRONZE TAIL SUPPORTERS	\$300 - \$999

Donors of \$299 or less will be recognized on AWA’s website and in campaign newsletters.

This large food preparation area will provide staff and volunteers with the facilities, equipment and appliances needed to efficiently prepare hundreds of meals each day. A dedicated laundry room is adjacent to, but separate from the clean storage space.

Cat Wing

Naming Rights to the Wing **\$150,000**
A gift at this significant level will be memorialized *in perpetuity* on this wing with the name of a generous donor... or a loved one or friend of their choosing.

Cat Adoption Room **\$50,000**

Community Cat Room **\$30,000**
This glassed-in, outside-facing room adjacent to the lobby will showcase adoption-ready cats to visitors as they arrive. This large, open space will provide resident felines the opportunity to live with plenty of room to exercise, climb, and interact with other cats.

Nursery/Foster Cat Room **\$30,000**
This glassed-in, outside-facing room – adjacent to the Community Cat Room – provides flex space for AWA to set-up kitten incubators and volunteer care stations during peak kitten season to care for the hundreds of orphaned baby kittens that come in during the summer months.

Cat Bank Room **\$30,000**
This second cat adoption room will feature individual cat cages where over a thousand cats and kittens a year will be comfortable as they await their forever home.

“Get Acquainted” Room **\$15,000**
This quiet, closed-door room will allow adopters to become acquainted with their new feline friend, or for volunteers to work on socialization in a relaxed, stress-free environment.

Cat Isolation/Treatment Room **\$7,500**
This separately-vented room, located within the Medical Examination Suite, will allow staff to isolate and treat contagious cats and kittens away from the Center’s healthy residents.

Dog Wing

Naming Rights to the Wing **\$150,000**
A gift at this significant level will be memorialized *in perpetuity* on this wing with the name of a generous donor... or a loved one or friend of their choosing.

Kennel Suites (3) **\$25,000 each**
Near the main dog wing corridor are three suites containing several smaller dog housing “pods.” Each suite has access to the outside and is in close proximity to the play yards. The design of the suites’ corridors, “pods” and natural light reduces stress, barking and noise.

Pods (10) **\$10,000 each**
“Pods” are groupings of dog kennels. Arranging kennels so the dogs aren’t facing each other while limiting the number of dog cages to three or four kennels per structure reduces stress. Each kennel is easily accessible to the public through an indoor corridor and has access to an outdoor walkway for volunteers to exercise them.

Behavior Room **\$15,000**
Some dogs arrive at AWA with behavioral problems and need specialized space where they can be rehabilitated by AWA’s professional staff.

Dog Isolation Room **\$10,000**
Newly-accepted dogs or puppies will also have a place to acclimate to the shelter and rest while their vaccinations take effect.

Isolation Room **\$7,500**
This separately-vented room, adjacent to the Medical Examination Suite, will enable staff to isolate contagious dogs from healthy ones, thus reducing the spread of disease.

Dog Play Yards (2) **\$7,500 each**
Set behind the Pet Clinic, and just steps from the Dog Wing and abutting the woods, will be two large professionally-landscaped play yards with water, shade covers, agility equipment and benches. Volunteers and potential adopters are invited to play off-leash with dogs.
