

WELCOME TO AWA

"A Place Where Happiness Begins"

The open **Lobby** allows us to accommodate the large number of adopters that visit and provides space to hold programs and events.

The **AWA Shop** will showcase the handmade treats and toys made by pet therapy, Special P.A.W.S. and volunteers. There will also be pet related merchandise for sale. Select volunteers from our youth development & employment partnerships will have the opportunity to learn job skills.

Our **Adoption Photo Nook** with seasonal backdrops where all adoption photos can be taken before the family leaves.

A **Kids Art Center** will keep children busy during their visit and will allow for immediate display of their masterpieces.

A **Kindness Garden** for herbs and vegetables to be grown by our volunteers, then fed to the bunnies or used for animal enrichment and treats for our cats & dogs.
