Animal Welfare Association Receives \$5,000 Grant as Part of the ASPCA® and Subaru Loves Pets Grant Program

Funding will help to save more animal lives by waiving 30 adoption fees during AWA's Fee-waived Adoption Event

October 12th, 2020

Voorhees, NJ – Animal Welfare Association (AWA) has been awarded a \$5,000 grant from the ASPCA® (The American Society for the Prevention of Cruelty to Animals®) as part of the ASPCA and Subaru Loves Pets Grant Program. The grant will help Animal Welfare Association (AWA) fund essential lifesaving services such as vaccinations, spay/neuter operations, heartworm treatment and microchipping.

Maya Richmond, AWA Executive Director, says, “AWA’s community partnerships are what drive our work forward. We’re indebted to the ASPCA, Subaru of America, and Miller Subaru, for supporting this event that will greatly accelerate our efforts against pet homelessness.”

The ASPCA grant funding will be used to cover adoption fees for 30 pet adoptions during AWA’s Fee-waived Adoption Event. The adoption event is scheduled for Saturday, October 17th & Sunday, October 18th, 2020 from 11am until 5pm and will be held at AWA’s Pet Clinic building while AWA’s new shelter is being built. Interested adopters must make an appointment on our website during the dates and times of the event in order for a fee waived adoption to apply.
