## Animal Welfare Association to Host Fee Waived Adoptions as part of the ASPCA® & Subaru Loves Pets Grant Program

Voorhees, NJ – Animal Welfare Association will be hosting a fee waived adoption event starting October 1<sup>st</sup>. The fee waived adoption event made possible by a grant from the ASPCA® & Subaru Loves Pets which covers the adoption fees of select pets to be adopted. There will be dozens of dogs and cats that will be eligible for the fee waived pet adoptions.

The adoption event will be held at Animal Welfare Association's temporary animal shelter at 509 Centennial Blvd., Voorhees, NJ. The temporary shelter is located in the AWA Pet Clinic building during the AWA's new shelter construction project.

Walk-in adoptions are available Monday, Tuesday, and Wednesday between 12pm – 4pm. Adoption appointments are needed for adoptions on Thursday through Sunday and can be made on the Animal Welfare Association's website at <https://www.awanj.org/adopt-homepage/>.

The goal of the event is to get 25 pets, both cats and dogs, adopted during the first week of October. "We are so thankful and excited to be able to host this fee waived adoption event again this year," says Animal Welfare Association's Shelter Manager, Nanci Urban, "We have so many amazing dogs and cats that have difficulty being adopted due to their age or breed and this program allows us to showcase these pets and get them into amazing homes."

In addition, Miller Subaru of Lumberton, NJ is donating \$100 per adoption to AWA up to \$3,100 in the month of October. Visit Miller Subaru in Lumberton, NJ to donate pet supplies and food for the pets of Animal Welfare Association.
