Description: Leo is a friendly, active small breed dog. He is a 2-year-old French bulldog/Shih Tzu mix. He is a loving and good natured little guy. We have owned him since he was 9 weeks old. He happily goes to work with me every day. Leo is fully housebroken and only barks when someone is at the door.

Activities: Leo loves going for his morning and evening walks. Weekends he can be found at the local dog park playing with his neighborhood pals. At times, he also goes to Manor Care Rehab to do pet therapy with some of the residents. He is a huge hit there! While at home, he is content to snuggle on the couch with us or chew on his bones.

Health/Grooming: Leo is a client of Dr. Alfieri at the Animal Welfare Association Pet Clinic in Voorhees. He is neutered and up to date on all his vaccinations (records available if needed). He is professionally groomed at Lakeside Kennels every other month.

About Us: As dog owners, we are extremely responsible. We take great pride in our pet and consider him to be part of our family. When Leo is walked, we clean up after him and do not allow him to potty on neighbors' lawns. We are certain Leo will be a great tenant and are willing to pay a pet deposit if necessary.
